Overnight Stays of Minors at Superbude

Dear Parents, Dear Legal Guardian,

We received the request of your son or your daughter to accommodate them, although the legal age of your son/daughter has not been reached.

To be certain, that you (parent/legal guardian) are agreeing that your children are staying at...

...we do need [a written consent](#) and [a copy of your identification card or passport](#).

Without this consent in writing we are not eligible to host your children and as well it is not legitimate for us to accomplish bookings that have already been done, for example via the internet.

Please do keep in mind that the compulsory control stays with the person having the care and custody of the child. Furthermore you guarantee the payment with your consent in writing because your child is not fully sui juris (capable of signing a contract) in paragraph §§106 – 111 BGB (German law).

We at Superbude do this to protect the minors! We thank you for your trust!

With regards,
Jörn Hoppe
General Manager
