### HOTEL COMFORT

A total of 74 rooms, divided into 7 categories. Some of them we have designed together with selected partners (fritz-kola, DREIMETA, Paloma Lemonade). All of them are perfectly suited for your weekend stay or business trip, because comfort is the focus here. Always there: lots of Hamburg vibes and many things to discover...

### HOSTEL VIBE

Encounters are important to us, because when travellers meet locals, that's when the magic happens. Whether at a small concert in the Lobby, a drink at the bar, a movie or a table tennis tournament - we embrace it!

### HOME FEELING

When travelling to a foreign city, the best thing is to spend the night in at a good friend's place, a super home! We are such a home with friends where everything is based on trust. Warm, honest, lively and personal - always with an open ear for good conversations. Welcome home!

### FOOD & DRINKS

From 7am until noon  
we serve a yummy all-  
you-can-eat breakfast  
buffet in the  
Kitchenclub

There are plenty of  
restaurants in walking  
distance

Fridges with cool drinks  
and snacks for self-  
service based on trust

### EVENTS & GET TOGETHER

Come have a drink on  
the rooftop terrace, play  
a table tennis  
tournament or watch a  
movie in the private  
cinema. The cinema  
can also be rented.
